LITTER

Fire

If you discover a fire…

- activate the nearest fire alarm call point
- contact Security Control on 44444, confirming fire location, extent and if the building has been evacuated. Security will contact the fire service
- exit the building

If you hear the fire alarm…

- The fire alarm is a very loud two tone claxon sound
- Do not take the lift, use the stairs
- Go to the assembly point immediately
- Evacuation target time of less than 3 minutes!

Exits

Exits

In case of fire
break glass
Push button

FIRE ACTION
ACTION IN THE EVENT OF A FIRE
1 Raise the alarm by breaking the glass in the nearest fire alarm point:
Adjacent to Notice
2 Dial 44444 on the nearest telephone and give details to Security Control including:
i the location of the fire
ii some indication of its extent
iii whether the occupants of the building are in danger
3 If possible attack the fire with the extinguishing equipment provided but do not put yourself at risk
ACTION TO TAKE ON HEARING THE FIRE ALARM
1 Leave the building immediately using the nearest safe exit route and report to the assembly point:
Between the Genetics Building and Chemistry West Building - bottom of the ramp.
Do not stop to collect personal belongings
Do not use lift
Do not re-enter building until authorised to do so
2 Wait at the assembly point for further instructions
